**TERMINAL DISCLAIMER UNDER 37 C.F.R. §1.321**

---

Dear Sir:

I, Himanshu S. Amin, represent that I am an attorney of record for U.S. Patent Application Serial No. 10/681,759, filed October 8, 2003, and entitled, "PLUG-IN PRE- AND POSTCONDITIONS FOR STATIC PROGRAM ANALYSIS." The owner, Microsoft Corporation., of 100 percent interest in the above-identified application hereby disclaims, except as provided below, the terminal part of any patent granted on the above-identified patent application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 and 173 of U.S. Application No. 10/667,542 as presently shortened by any terminal disclaimer, and it is hereby agreed that any patent so granted on the above-identified

patent application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent Application No. 10/667,542, this agreement to run with any patent granted on the above-identified patent application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, disclaimant does not disclaim any terminal part of any patent granted on the above-identified patent application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of U.S. Patent Application No. 10/667,542, as presently shortened by any terminal disclaimer in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by a terminal disclaimer, except for the separation of legal title stated above.

A credit card payment form is filed concurrently herewith in connection with all fees (\$130.00) due associated with this Terminal Disclaimer. In the event any additional fees may be due and/or are not covered by the credit card, the Commissioner is authorized to charge such fees to Deposit Account No. 50-1063 [MSFTP482US].

Respectfully submitted,  
AMIN & TUROCY, LLP
